OUR STORY

MASON, an ultra-modern luxury pool villa resort, was born from a passion for design and a vision to create uniquely romantic and personal experiences. Our design was inspired by our beautiful location on Na Jomtien beach, just a two-hour drive from Bangkok, and sitting between the cosmopolitan skyline of Pattaya and a charming local fishing village.

If your dream wedding is an intimate beach service surrounded by the people you love, MASON is ready to bring that most special of moments to enchanting life. With a professional team and range of offerings, MASON gives you and your special someone the opportunity to make memories of love to cherish together forever.
